Glinde, 21.03.2019

Liquidation of UST Umwelt- und Schiffstechnik GmbH

Dear clients, suppliers and business partners,

today we would like to inform you that our company, UST Umwelt- und Schiffstechnik GmbH, is subject to liquidation. Due to health condition, my father, Mr Helmut Scheurer, is retiring from active business life. Unfortunately, therefore we will not be able to accept further requests or orders.

Please note, that until the liquidation process has ended, our new business address is as follows:
UST Umwelt- und Schiffstechnik GmbH, Quellental 6, 21509 Glinde, GERMANY

For several years now we have been closely and trustfully cooperating with the Halstenbek located company GLOBALS Tanktechnik GmbH. We are happy to inform you that GLOBALS Tanktechnik is carrying on the UST business and will be of assistance to you on all questions concerning upcoming requests and orders. Please find their contact details below:

GLOBALS Tanktechnik GmbH

Industriestraße 17, 25469 Halstenbek, GERMANY

T. +49 4101 8313 70

Contact: Mr Jens Ludewig, Mr Roland Pump

email: info@globals-tank.de

GLOBALS Tanktechnik will be providing the complete service and product portfolio of UST Umwelt- und Schiffstechnik. This includes – among others – Protego Armaturen (new fittings, replacement parts and services), oil booms, Bandimex products, level meter and Enraf/Honeywell ball valves. For further information please turn to the website of GLOBALS Tanktechnik GmbH:

www.globals-tank.de

We thank you for the trust you have placed in our company as well as for the great cooperation throughout the years!

Best regards

UST Umwelt- und Schiffstechnik GmbH i.L.

A handwritten signature in black ink, appearing to read 'Stefanie Scheurer', is written over a light blue horizontal line.

Stefanie Scheurer

(Liquidatorin)
